# Notary Law Changes Are Coming! Are You Ready?

Our notary training seminar will teach you details of the law changes that will take effect July 1, 2018.

**As a public official you have unlimited personal liability if you make a mistake.**

Notaries are subject to criminal, civil and administrative penalties. The state required notary bond only protects the public you serve. Your only protection is proper training and insurance.

**There is more to notarizing than just filling in the blanks.**

As a notary you are an impartial witness to the identity, signature and *statement* of the person appearing before you.

**This is why Attorney & Notary Supply, Inc. has been offering year round, instructor led, Washington State notary training for over 25 years.**

# *Attorney & Notary Supply, Inc.*

A.N.S. is the largest full service notarial supply company in Washington State. From our office in Renton we specialize in bonding, insuring and training notaries in Washington while offering supplies to notaries across the nation.

After working with the Notary Law Revision Committee in 1985 then President Judith Welsh, began offering notary seminars to educate Notaries on how to fulfill their notarial duties within the scope of the law.

Our President, Rebecca Jacob, joined Ms. Welsh in teaching notary seminars in 1993. Ms. Jacob has used her over 30 years of notarial experience to help shape the standards we practice today as well as the new notary law.

For over 25 years A.N.S. has offered year round, state wide public notary seminars as well as private group sessions.

In addition to wide range notarial knowledge & services, A.N.S. also offers select specialized products such as court bonds and corporate record kits. Additional information about these products, as well as notarial information, can be found at our website.
